

California Inland Empire Council Boy Scouts of America
Presents:

The BSA-100 Birthday Party

Glen Helen Regional Park, Devore, CA
September 24 – 26, 2010

Registration Information

Registration to the BSA-100 Birthday Party is open for Early-Bird Sign-Up!

We are asking that all units sign up members, youth, adult, and families together as much as possible to help things run smoother. There are two ways to get signed up for this fun-filled event, with the Early-Bird Promotion being the most economical, and at the same time helping with organization and the over all logistics of the event. Early-Bird sign-up will ensure your experience will be a pleasant one and enable your unit to get in on as many of the fun activities as possible. Some of the BSA-100 Birthday Party activities and special events will require an "Early-Bird Sign-up" due to logistics and planning.

Early-Bird Sign-Ups

Sign up your unit by the Early-Bird deadline (June 14, 2010, Flag Day) to get in on special Birthday Party FUN.

Only Early-Bird unit sign-ups get in on the following:

- #1 The lowest price to get into this very "Exciting" and "FUN" event.
- #2 Unit numbers will be put into a hat for 10 prize drawings at campfire.
- #3 Districts with most of their units signed up will get first choice of campsite areas (first-come-first-serve basis).
- #4 Free unit scheduled entrance to the Water Park (limited) (1st signed up first served).
