# FOXFIRE

## YOUTH LEADER TRAINING

The new Foxfire Youth Leader Training is an exciting update of a unique program where young men enhance their leadership skills. Scouts will expand upon the team building and ethical decision making skills learned at Buckskin National Leadership Training.

Foxfire uses mountain man history as an theme on which the program is built upon. The three components of Foxfire – Foxfire skills, mountain man and leadership – teach leadership, teamwork and the lessons of selfless services. Foxfire offers Scouts an exciting experience based on American history, using the core elements of Buckskin to make their leadership skills intuitive.

Foxfire will equip youth leaders to be better troops leaders, youth leader training staff members and/or superior camp staff. It will help guide their journey to become true “servant leaders,” able to develop all members of whichever team they lead. It provides life skills for now and the future.

At Foxfire, Scouts will hammer steel into tomahawks at a real forge, shoot black powder rifles, rappel off a climbing tower, bond as a team on an obstacle course, perform a conservation project and prepare themselves for the big leadership challenge: Planning and conducting a day of the course!
